# Booster Series - Secondary

Boosting achievement towards the Upper 2-3 Bands.

## Just Write

**Booster Writing: Year 7 and Years 8-9**

Just Write students discover how successful writers create ideas and draw their audience in. They practise the craft of writing, constructing sentences and passages that convey subject matter, mode and tenor.

Click the icons to the right to find out:
- selection criteria for students
- alignment with Australian Curriculum
- capability programs that support teacher and school leader outcomes.

### Round 1: Jan-May

- Year 7 → Year 7

### Round 2: May-Aug

- Year 8 → Year 7

### Round 3: Aug-Nov

- Year 8 → Year 8

**Helpful Hint:** Some schools include Year 7 and Year 9 students and teachers in Round 1, then Year 8 students and teachers in Rounds 2-3.

Year 7 → Year 8 → Year 8

Year 9 → Year 8 → Year 8

## Solve It

**Booster Numeracy: Year 7 and Years 8-9**

Solve IT provides capable mathematics students with a process for solving problems as well as a bank of problem-solving strategies to use on demand. Students also develop literacy skills needed to interpret questions correctly.

- capability programs that support teacher and school leader outcomes.

### Round 1: Jan-May

- Year 7 → Year 7

### Round 2: May-Aug

- Year 8 → Year 7

### Round 3: Aug-Nov

- Year 8 → Year 8

**Helpful Hint:** Some schools include Year 7 and Year 9 students and teachers in Round 1, then Year 8 students and teachers in Rounds 2-3.

Year 7 → Year 8 → Year 8

Year 9 → Year 8 → Year 8

## Other Programs

**READiscover**

READiscover develops the reading and comprehension skills of Years 7-9 students who are 2-3 years behind in their reading age. Capability programs for leaders and teachers include Reading Squad and Co-Teaching.

**UNIFY Series**

Higher-order thinking extension programs for mid-to-high achieving students from Years 7-10. Collaboration with like-minded students, teachers and UNIFY partners.

**Capability Programs**

- **Reading Squad**
- **Critical Friends**
- **Impact United**
